

District 5500 Indoor Ride to End Polio 2025 Team Registration

Every Rotary Club and Rotary District in the world is eligible to enter a team in the 2024 Indoor Ride to End Polio for an event happening in their local community such as: indoor ride, outdoor ride, walk, run or special events such as Putt for Polio.

There is no cost to register your team for the Indoor Ride events.

Individual riders/participants who represent a team need to register, too.

*Required information.

Please enter data in the spaces below.

Expected number of team members	
If you have a fundraising goal, please enter it here	
What date do you plan to do your ride?	
Please tell us how you learned about the Indoor Ride to End Polio	___ web site ___ Booth at RI Convention ___ personal contact ___ Other

For questions about the Indoor Ride events, please [email Charlotte](#). Please [email your completed application](#) to Charlotte as well. Charlotte will be in contact with you to provide you with information on how to organize your Indoor Ride event with a fundraising packet plus an opportunity to ask questions and express concerns.

Important note. In the past, Rotary District 5500 organized the Indoor Ride to End Polio in conjunction with El Tour de Tucson. However, El Tour has discontinued their Indoor Rides so please do not be concerned if you do not see any information about the Indoor Ride on the El Tour site. This year's El Tour takes place on Saturday, November 22, 2025. We strongly prefer that all Indoor Ride events are held prior to that date. Indoor Ride Team Captains will be contacted the week following El Tour to follow up on the number of riders/participants and fund-raising totals for Rotary International's Polio Plus. Rotary International puts a deadline on reported contributions by Friday, December 19, 2024. Keep in mind that all funds raised are matched 2 to 1 by the Gates Foundation which is a great incentive to donors who might sponsor indoor riders/participants.
